Channel 5

Channel 6

Channel 7

Channel 8

The image displays eight identical channel strips, labeled Channel 1 through Channel 8. Each strip features the following controls from top to bottom:

- GAIN:** A circular knob with markings at +40, +18, +30, +42, and +65 dB.
- OUT:** A circular knob with markings at -30, 0, and +15 dB.
- 48V:** A square switch with a red box around it, indicating it is active.
- PAD:** A square switch.
- HPF:** A circular knob with markings at 20, 75, and 315 Hz.
- IN:** A square switch.
- HI-Z:** A circular selector knob.

The 'H LABS' logo is visible at the bottom of each channel strip.
